Key Findings of Tufts University Study on BSA:

Tufts University recently released their study of the Scouting program. Six key character attributes were specifically studied:

- Hopefulness Helpfulness
- Obedience Cheerfulness
- Kindness Trustworthiness

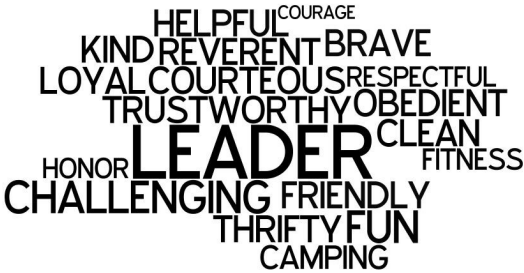

A few of the key findings are as follows:

- 1) The more time kids spend in Scouting, the better the outcomes in character development
- 2) Those who attend meetings regularly report higher outcomes virtually across the board when compared to Scouts with lower attendance
- 3) Scouts are more likely to embrace positive social values than non-Scouts
- 4) Scouts who are more engaged in the program report higher outcomes in nearly every category

Scouting Works!

Family Charitable Giving Effort Supports:

- 50% of our donations and unit assessment helps to pay for our professional executive who works for our district full time helping our unit and leaders.
- 9% provides for the year-round maintenance of our three award-winning camps; Royaneh, Wenté Scout Reservation and Rancho Los Mochos.
- 2% pays for insurances including liability insurance that protects our leaders plus accident and sickness insurance is provided for **every** scout
- 4% is spent in our Council to help other families who need scholarships, going to camp or help in getting registered in the BSA. The Council serves almost 1,000 boys and girls right now, through our direct service programs, in some of the Bay Areas most troubled areas
- Less than 5% pays for fundraising including brochures and recognitions

- 20% goes to running scores of activities that our kids participate in, like:
 - Scouting for Food and district activities
 - Family Vacation Camps and Day Camps
 - Youth leader training programs, Camporees and Shooting Sports Days
 - Pinewood Derby's, Tiger/Lion activities
 - Youth recruitment events
 - Adult training, Resident Camp and Exploration Camps
 - The horse programs at the camps
 - Our well-used 16-mile mountain-biking program at Wenté Scout Reservation.
- And finally, the balance of 10% goes to overhead, which includes the support staff at the YLTC. They help us with supplies, registrations, Youth Protection Training, rechartering, background checks, advice, know how, badges and awards, camp sign up and more.

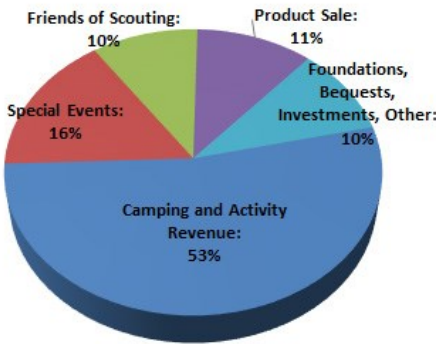

But what we really get in exchange for our donations or our assessment payments to the council is ***a character and leadership training and values program for our kids***. Up against that, our assessment represents a fraction of the real value our kids receive.

The Cost of Scouting
