NEW!!!! Virtual Merit Badge classes.

Same excellent program but now available on-line, at home. Participation would require computer access and ability to log on to Bluejeans Network for video conferencing. Program will begin at 9 am and will continue with intermittent breaks through to approximately 4 pm. \$40 per day. A session with a slash(/) in the title means the participants will work on both Merit Badges during the day. There is no guarantee that one particular class will be given at one particular time during the day.

Implementation:

4. You MUST enter the number of scouts you wish to enroll. Then click the gray "Continue" button.
