

# 2020 LEADER'S GUIDE

SAN FRANCISCO BAY AREA COUNCIL  
BOY SCOUTS OF AMERICA

The San Francisco Bay Area Council offers a variety of Summer Camp programs for registered members of the BSA and does not discriminate against any Youth or Adult with regard to race, religion, color, age, sex, gender, disability, or national origin.

Wente Scout Reservation and Camp Royaneh are accredited by the National Council of the Boy Scouts of America. These camps maintain top ratings for their facilities, programs, and Staff. Both camps operate under guidelines established by the State of California, and by Mendocino and Sonoma counties, respectively.

## YOUTH PROTECTION

Each Unit shall ensure that **every** Adult receives current BSA Youth Protection Training before arrival at Camp. You can contact your Council or District Training Chair for available training dates or complete the training online here: [www.Scouting.org/Training/YouthProtection.aspx](http://www.Scouting.org/Training/YouthProtection.aspx)  
In accordance with the National Youth Protection Policy, we have instituted the following Council policies:

- ☐ Adults must maintain two-deep Leadership in Camp **at all times**
- ☐ Notify the Camp Administration prior to arrival if you will have difficulties doing so.
- ☐ Adults must respect the privacy of Youth members.
- ☐ Adults & Youth will not share sleeping facilities at any time (unless parent & child).
- ☐ If private issues between a Youth and an Adult must be dealt with, two-deep Leadership must be maintained during the conference, health check, or other event.
- ☐ Please see the Camp Administration if you or your Unit need assistance or advice in this area.

## DEAR UNIT LEADER:

The San Francisco Bay Area Council proudly offers two great Summer Camp experiences for your Unit. Whether you have decided to attend the wonderful Wente Scout Reservation in the foothills of Mendocino County or the redwood setting of Camp Royaneh, this guide will help you make the most out of your Unit's Summer Camp experience.

We take pride in the high quality of our Camp programs. At each camp a well-trained and enthusiastic Staff is awaiting the arrival of your Scouts and is eager to assist your Unit in carrying out its plan. You are still in charge of your Unit, and your Unit's program should reflect the needs and desires of your Scouts. After all, no one knows them better than you.

Your task as a Unit Leader is to compress many years' worth of adventure into one week of Camp. With unique and unparalleled programs, an experienced, handpicked Staff, and an emphasis on customer service, both Camps offer you the best Scouting environment you could ask for in a Summer Camp. Come to Camp expecting, and demanding, a great time.

Your Unit's program can be tailor-made to meet your Unit's needs. The experience level of your Scouts and Adult Leaders will be important considerations in building your Camp program. The Camp Staff is available to help you make your individualized Camp program work.

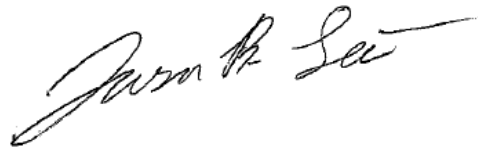

Read this guide *carefully* and use it to plan your week. If you have any questions, please allow us to answer them.

The Camping Program of the San Francisco Bay Area Council is proud to be a part of your Troop's effort in serving our Youth.

Thank you.

## CAMPERSHIPS

The San Francisco Bay Area Council believes each Scout should be given every opportunity to attend Camp. At times it can be hard for a family to raise the money, and Camperships can help cover part of the cost of a week of Camp for SFBAC Scouts attending an SFBAC Camp. Campership applications are due June 1<sup>st</sup>. Applications are available at <http://www.sfbac.org/forms/62765>

Scouts who are applying for Camperships still pay the \$150.00 deposit but may wait to pay the remaining balance until the family is notified of the amount of their Campership. If the Campership is **not** approved, you may ask for a full refund. We suggest that Troops set up a savings plan to help Scouts, and that Scouts in need participate in any fundraising opportunities that their Troop offers in order to provide for their Camp fees and necessary supplies.

Council's notification of funding is not received until June. Although this can be inconvenient for Units trying to settle their Camp fees, it is necessary that we wait until this notification is final to approve any Camperships.

## PROVISIONAL CAMPING

Provisional Camping is available to Scouts who cannot attend Camp with their own Units, or who would like to spend an extra week at Camp. Scouts will be placed with another Unit in Camp, and the host Unit will provide the necessary Leadership for the Scout. Every effort will be made to match Provisional Scouts with their host Troop prior to their arrival in Camp.

Provisional Scouts should contact their host Units and try to visit at least one of their Troop meetings before going to Camp, to familiarize themselves with their host Unit's Scouts and Adult Leaders.

The Scout's family or host Unit is responsible for transportation to and from Camp. Provisional Camper applications can be found at <http://www.sfbac.org/forms> Contact the SFBAC Camping Department for questions or more information.

## SPECIAL NEEDS

Campsites are available for use by physically challenged Scouts and Adult Leaders.

Please check with the SFBAC's Camping Department for availability and accessibility to facilities. For dietary and other food related needs see *Food Service* on page 25 of this guide.

When appropriate, Merit Badge Counselors should be made aware of special needs required by any Scout in order to provide effective instruction and the best possible program for everyone involved.

## CAMP STAFF AND CIT'S

Wente Scout Reservation and Camp Royaneh are always seeking qualified applicants for both paid and volunteer Staff positions. Older Scouts and Scouters are encouraged to apply as well.

The minimum age requirement for employment at Summer Camp is 16. A Counselor-in-Training program exists for 14 & 15-year-old Scouts who are interested in applying for Camp Staff when they turn 16.

The application process and interviews for Camp Staff are ongoing. Interested individuals should contact the SFBAC or Camp Administration for more details. Seasonal Camp Staff Applications may be found at: <http://www.sfbac.org/forms>. This will also allow Scouts at Camp to be notified of future Staff openings.

**Wente Staff wants YOU !**

### CIT Program

The Wente Scout Reservation CIT program is a 3-week commitment of camping, learning and teaching. Each week will focus on specific skills and aspects of Staffing at summer camp. By the end of this program CITs will learn, among other things: team development, presentation skills, class management, and how to showcase camp spirit.

CITs will need to be available for the entirety of one of the sessions below:

Session A: June 7 - June 27<sup>th</sup>

Session B: June 21 - July 11<sup>th</sup>

Session C: July 5 - July 25<sup>th</sup>

# LEADERSHIP REQUIREMENTS AND RESPONSIBILITIES

**The success of your Camp program should not be measured by the number of Merit Badges earned.** Success should be measured by the extent to which your Troop has learned - to stand on its own two feet, to use its Scout Leaders, to train its own instructors in Scouting skills, to acquire new interests that stimulate program in the upcoming year, and to strengthen the individual Scout.

The skills that your Troop Leadership bring to Camp, combined with those of our skilled Staff, will ensure that the Scouts of your Troop have a top-notch experience. You are encouraged to make full use of these Leadership resources for the benefit of your Troop.

One of the most enjoyable experiences at Camp for an Adult Leader is getting to know other Adult Leaders and sharing ideas and experiences with each of them. There will be plenty of opportunity for formal and informal gatherings, including a few friendly competitions among the Adult Leaders in Camp. Your Camp Commissioner will let you know about the scheduled events.

While at Camp, Units are expected to follow the traditional chain of command and organizational structure of a Troop. This section outlines those requirements and responsibilities while at Camp for: Adult Leaders (Scoutmasters, Assistant Scoutmasters, parents, etc.), Senior Patrol Leader and The Buddy System.

## **Adult Leaders: Scoutmasters, Assistant Scoutmasters, and Parents:**

The Scoutmaster and Assistant Scoutmasters are some of the most important people in Camp. You are with your Troop 52 weeks a year and know your Scouts better than anyone else. While many of your formal duties may be logistical, it is also important to remember that you are a role model, coach, counselor, and friend. Scouts will often emulate their Adult Leaders and your behavior often sets the tone for how the Scouts will behave in Camp. Some Scouts do not have strong role models at home, and even though you may not be aware of it, they are looking to you to for how to behave. *What you do, what you say, and who you are in their day-to-day interactions are worth more than a thousand formal lectures and sermons.*

It is extremely important that each Scout has a quality experience and this is more likely to happen when full-time Leaders are in Camp. Although it is difficult at times for an Adult to take a full week away to attend Camp, to do otherwise is very hard on your Scouts in attendance. A great deal of time is spent explaining the Camp program and operation when a Unit is rotating Leadership. The Scouts suffer when new Leaders do not know what to expect.

## **Adult Leader Requirements:**

Each Unit must provide its own registered Two Deep Leadership. The BSA requires:

- *A minimum of two Adult Leaders who are **at least 21** years of age.*
- ***ALL ADULT LEADERS must be registered members of Scouts BSA and have completed up-to-date Youth Protection Training prior to camp.***
- Adults can register by filling out the BSA Adult Application at:  
<http://www.Scouting.org/filestore/pdf/524-501.pdf>
- Contact your Council or District Training Chair for available training dates or complete the training online at: [www.Scouting.org/Training/YouthProtection.aspx](http://www.Scouting.org/Training/YouthProtection.aspx)
- In the case of very small Units, it may be possible for the Council to pair you up with another Unit in order to pool Leadership. Contact the SFBAC Camping Department for more information.

## Adult Leader Responsibilities

- Three weeks before arrival, inform the Camp in writing of any special needs a Scout or Adult Leader may have with regard to disabilities, medications, or dietary needs due to health or religious beliefs.
- Follow all Camp policies regarding the early release of Camper for any Scout leaving during the week.
- Distribute Unit medications individually.
- Monitor Scout's behavior and enforce Camp rules and policies.
- Adults should know where their Scouts are at all times and be aware of the activities they are involved in.
  - **Checking the Advancement Board** – the records show the name and Troop number of each Scout as well as their attendance and the progress towards completion. Records are updated each afternoon and evening within an hour of program areas closing.
  - **Enforce the buddy system.** Scouts need to have a buddy in program areas, on hikes, while swimming, and during other activities they are participating.
  - Ensure that Scouts in their Units do not damage Camp facilities and program materials. *Units will be billed for any damage done to Camp property.* This will include the cost for materials, labor, and any other cost in relation to repairs or replacements.

## Suggestions for Scoutmasters

- If you want a rule enforced, be immediate, consistent and definite.
- If you have a problem with Scouts from another unit, turn the problem over to their Scoutmaster. Contact your **Camp Commissioner** if you need further assistance.
- Monitor your Scout's advancement.
  - Keep a copy of each Scout's program.
  - Spot-check attendance and progress.
  - Observe the quality of advancement.
  - Guide younger Scouts with their advancement.
- Become acquainted with the Staff. Please direct any suggestions to the Area Director, the Program Director, or the Camp Director.
- Conduct a personal inspection of each Scout's gear within 24 hours of arrival, if not prior to leaving for Camp. Make a mental inventory. **Lock all valuables in your car.**
- Fireworks **MUST** be turned in for disposal.
- Confiscate weapons or potential weapons

## Senior Patrol Leader

The Senior Patrol Leader (SPL) runs the Troop and is the key Junior Leader of your Unit. An SPL should be well trained to carry out Camp responsibilities and will be invited to serve on the Camp SPL Council.

## The Buddy System

Scouts should pair up with a "buddy" while participating in program activities. The Camp Staff will make announcements during the week reminding Scouts to use the Buddy System. Adult Leaders are encouraged to do the same. Scoutmasters should devise a check-in plan so that you can account for your Scouts at all times.

## Buddy Responsibilities

The Buddy System should be enforced during all activities at Camp, including, swimming, boating, while on the trails, as well as during Merit Badge classes.

# PLANNING YOUR CAMP ADVENTURE

It is never too soon to plan the week of adventure your Troop will have at Camp. Keep in mind that a great part of any adventure is the anticipation brought by planning. Here are some tips for planning your week at Camp:

- **Scouts' Interests** - Share a list of Camp activities with the Scouts. Get them excited about going to Camp. Find out what the Scouts would like to do together as a Unit, as a patrol, with a friend, or on their own.
- **Advancement needs** - Update your Unit's individual advancement records and have each Scout set a personal advancement goal for the week at Camp. Different badges and activities are appropriate for different Scouts.
- **Unit Objectives** - List the accomplishments that you hope to achieve with the Unit at Camp. Your plan should lead you toward achieving your goals.
- **Unit Committee** - Sketch out a program for the Troop's week at Camp. Discuss your objectives and design your week to accomplish those goals. Get the support of the committee behind you. Have the committee help you draft a list of activities for the program, and then use that list to give the Scouts a voice in the planning process.
- **Attend the Unit Leader Orientation Meeting** - Key Camp Staff will be on hand to help prepare your Unit for a super Summer Camp experience.
- **Plan for Camp Routine** - Camp program also includes and allows time for Camp housekeeping, set up, clean up, and inspections. Learning to live and work together can be a very important part of Scouting's purpose.
- **Plan for Unit Programs** - Be sure to leave time for the activities your Unit would like to do together including open swims, hikes, trail rides and Troop shoots.
- **Hold Ceremonies for Recognition** - This should be an important part of your program. A Friday evening Camp court of honor, or a daily recognition at Unit meetings give an instant but important recognition.
- **Do not be afraid to let the Scouts make mistakes** - After all, mistakes are the seeds that germinate learning and success. *Always keep safety in mind!*
- **Have patrols organized before coming to Camp.** Work on ideas as patrols and have the patrol Leaders represent the group at Camp. Come with some of your activities planned.
- **Make your Campsite the Heart of the Camp.** Your Campsite is your home for the week, so work at making it more comfortable. Try using banners and flags to dress it up.
- **Be spirited.** Top Troops show spirit. The Troop that comes to Camp with spirit, challenges the rest of the Camp to come alive. Bring your Troop cheer to Camp and show everyone that you are number one!
- **First-year Campers**, generally speaking, the Eagle Trail program at Wente Scout Reservation is a great way to start a Camp experience. In addition to this program, some easier Merit Badges are suggested.
- **Diversify Activities.** If a Scout has too many of one activity planned, Scoutmasters should suggest the Scout try something new this year in order to get a well-rounded experience.

## Five Levels of Programming

The BSA Summer Camp program offers fun and adventure with a specific goal. Camps provide a program for Troop Leaders to use in helping their Scouts grow and learn. This program is developed to provide activities for the individual Scout, for buddies, for patrols, and for the Troop as a whole, culminating in a great total Camp experience. All programs in Camp have been designed with the following five concepts in mind:

1. **Scout** - Merit Badge programs and advancement opportunities are designed to help the Scout meet their personal advancement goals.
2. **Buddy** - Scouts should always travel in at least a group of two, so certain activities have been planned during the week which will encourage buddy pairs to work and have fun together.
3. **Patrol** - Baden-Powell once said that the patrol was the secret for the success of Scouting. One job of the Summer Camp is to strengthen patrols, and events are planned throughout the week to do just that.
4. **Unit** - Units will also have the opportunity to compete and work with each other in demonstrating their Unit pride and Troop skills.
5. **Total Camp Experience** - There's a chance to work with other Troops and to contribute to the total Camp experience through activities such as Camp-wide games, inter-Troop Campfires, Scout Vespers, Outpost and much more.

## A Good Plan for Camp is:

- **Scout Planned** – The Troop's Summer Camp program can be part of the growth process of Scouting if the Scouts themselves are involved in the planning through the Troop Leader's Council. The TLC, with guidance from the Scoutmaster, should see that the Troop program reflects the individual goals of the various Troop members as well as the collective aims of the Troop.
- **Balanced** - Experience has shown that the best program at Camp is the one that offers a healthy balance between recreation and advancement, free time and structured activity, group events and individual pursuits. Each Scout should be allowed to enjoy their natural surroundings, pursue personal interests and build friendships.
- **Individualized** - A successful Camp program reflects the different ages, ranks and skill levels of the Troop. While it is good for the Troop to conduct some activities during your session at Camp, you should also allow sufficient time in your program for eating, sleeping, and clean-up of your campsite.
- **Flexible** - Remember that there are at least a dozen other Troops planning a program that involves the Staff and facilities at the same time your Troop will be using them. Most of the time the Camp's capacity is great enough to meet the demand, but sometimes it is necessary for one or more Troops to rearrange a part of their program to enable Staff to serve them properly. Please be prepared for this possibility and have enough flexibility built into your program so that you may accommodate changes.

## Over-Programming

There are more activities at Camp than anyone can accomplish in a single week, which is why we suggests Scouts and Adult Leaders select a small number of activities to enjoy rather than trying to cram too many experiences into the week.

*Scouts and Adult Leaders are not obligated to take part in every activity.* Young Scouts in particular seem to enjoy spending their week fishing, catching frogs, and riding horses, rather than being rushed from activity to activity. It is important to remember that Scouts grow and learn just as much from these leisurely pursuits as they do from earning Merit Badges and picking up Camping skills. One of the goals of the Boy Scouts is to foster an appreciation of the outdoors, and sometimes that is best accomplished simply by being outdoors in the natural setting of Camp. Some tips to avoid over-programming:

- **Summer Camp is not a Merit Badge mill** where you pay a fee and get badges automatically. Instead, Camp offers Merit Badges as one portion of the overall program.
- **Be aware of which badges require the most** skill, endurance, or written work, since those will require more time during the week. Examples of these are: Environmental Science, Lifesaving, Horsemanship, Archery, Rifle Shooting, Shotgun Shooting and Pottery.
- **Be Prepared...some merit badges are made easier** if the Scout does some preparation in advance. Camp is not an ideal place for Scouts to complete written work and Scouts can prepare by completing their written work before arrival. Obtaining the Merit Badge pamphlet and at least knowing the requirements is a great place to start.
- **Communicate.** Let the Camp Staff know how they are doing, what you need, and how they can help meet your needs. Camp Staff is ready and willing to assist in any way they can.
- **Rest & Relaxation time** should be in your plan... That's right, rest. Too often Scouts don't take the time to sit back and enjoy the beauty Mother Nature has to offer. This goes for Scoutmasters as well.

## UNIFORMING

All Scouts and Adult Leaders are strongly encouraged to be in full field uniform for the evening flag assemblies, dinner, and any chapel services.

The activity uniform consisting of Scout shorts, uniform socks, and a Scout, Troop, or Camp T-shirt is appropriate attire for morning flag assemblies and throughout the day. Troops are encouraged to set a uniform policy that their Troop can adhere to before Camp begins. Many Units display their pride with Unit shirts or hats.

Scout appropriate attire is required at all times.

Swimsuits and sleeping attire are **NOT** acceptable at meals.

# ARRIVAL AND CHECK-IN

## Arrival Day

Troops should plan to arrive at Camp as a unit on Sunday between 12:00 pm and 2:00 pm. Check-in beginning at 12:00 pm. **Inform Camp and the Council Office if you are delayed and will *not* be arriving during this time.**

Your Troop will be met by a member of Camp Staff on the dam bridge. The Scoutmaster & Senior Patrol Leader should proceed to the Peninsula across from the parking lot to check-in with Camp Administration and meet up with your Troop Guide. Your Troop Guide will take you to your Campsite and onward on your tour. Having all forms and medications easily accessible will make your check-in go much smoother.

If your Troop arrives before noon, please remain in the parking lot until check-in begins. If your Scouts **need** to use the restroom, they may walk to the Dining Hall restrooms in buddy pairs.

Scouts should hike their personal gear to their Campsite. One car per Unit at a time will be allowed to drive **Unit gear** closer to the Campsite.

## Saturday Arrivals

Saturday arrival *may be permitted* with prior approval from the Council Office (extra fees apply). Saturday Arrival Request forms may be found online at: <http://www.sfbac.org/forms/62765>. Units arriving on Saturday are responsible for their own meals until Sunday dinner. Camp will not provide any program until check-in begins on Sunday and all program areas will be closed and off limits. This includes the swimming area and boats at the Waterfront.

## Monday Arrivals

Units who are arriving on Monday morning need to arrive by 6:30 AM so that medical checks and Campsite check-in can be completed before Morning Flags. Please contact the Camping Department to make these arrangements at least 3 weeks prior to camp.

## Driving and Parking

The speed limit at Camp is 10 mph and 5 mph once you round the corner to shotgun.

To protect the health and safety of the Campers and conserve Camp property, Council policy states that personal vehicles are not to be used on the in-Camp service roads. A parking lot is provided near the main area of the Camp for Leaders and visitors to park their vehicles. Scoutmasters should stop in this lot and Scouts should pack in all personal gear from this point. Parking in Campsites is not permitted.

Do not forget to back your vehicle in when parking for evacuation purposes. Please remember that our Camp properties are fragile environments and keep your vehicle on Camp roads at all times.

All vehicles should remain in the Camp's central parking lot throughout the week unless you are departing or entering Camp via the main road. Any Adults wishing to leave Camp during the week **must** check-out at the Camp Admin. Office and **should** make sure the other Troop Leaders in their Troop know where they are going and when they will return. For emergency purposes, the Camp Administration must be able to ascertain the whereabouts of each and every Scout and Adult Leader at all times.

# FORMS REQUIRED FOR CAMP CHECK-IN

Please collect the following documents and have them readily accessible to speed up the check-in process.

## Unit Forms

- *Final Unit Roster & Dietary Needs Form* can be found online at: <http://www.sfbac.org/forms>
- *BSA Routine Drug Administration Record (Med. Log)* – If you would like a booklet ahead contact the SFBAC Camping Department. If you do not request one ahead at time one will be provided to your troop by the Health Officer upon arrival. This must be filled out prior to administering any prescription medication at camp.

## Individual Forms

- *Firearms Permission Slip*: Official firearms permission slips are required for all Youth in order to participate in all shooting sports activities at Camp. **4 Signed copies Required**
- BSA Annual Health and Medical Record:
  - ALL Campers, Youth and Adult must have a current, completed BSA health form with **all three sections** (parts A, B, and C) and all appropriate parental & doctor signatures. This must be filled out prior to administering any prescription medications at camp.

## REQUIRED FOR EVERY PARTICIPANT, YOUTH AND ADULT

If you do not have a current BSA Annual Health and Medical Record, you will not be allowed to remain on Camp premises or participate in activities, no exceptions. Adults who will be on site for less than 72 hours and are only coming to eat, sleep and pickup/drop off Scouts only need parts A and B of their BSA Health and Medical Record. **Old versions will NOT be accepted.**

## CHECK-IN TIPS:

- Designate one Leader to be in charge of all forms for check-in.
- Read and complete all forms carefully.
- Double check ALL Camper's forms to make sure:
  - They are current, completed, and have **signatures**.
  - All medications listed on medical form are present and in original containers
- Bring this Leader's Guide with you for reference during the week.
- Hold a personal equipment inspection of each Scout's gear and belongings prior to departure.
- Bring any receipts for fees paid prior to Camp, and any approved Camperships along with a check to pay the balance of Camp fees due.
- Bring a second check to secure your Campsite Reservation for next year with a Stake-a-Claim.

# ORIENTATION TOUR

Your Troop Guide - or TG - will take you on a tour of Camp that will last about 2 to 3 hours (perhaps more or less depending on the size of your Unit, familiarity with Camp, among other factors).

**Setting up Your Site:** On arrival to your Campsite, designate one Adult to inspect the Campsite with your Troop Guide to ensure that the Campsite is in proper condition. If you are sharing the site with another Troop, each Troop will be pre-assigned its tents. It is suggested that Adults bring their own tents if they wish to have separate accommodations from other Adults in their site. This is a good time to drop off your gear and change into swimsuits to prepare for swim checks.

\* \* Make sure to bring all your forms **AND** medications with you. \* \*

**Medical Check:** All campers will go through a brief medical re-check with Camp

Staff upon arrival.

All prescription medications brought to Camp must have original containers and instructions for distribution. Having this information is a requirement by the BSA National Council and will help us process the medical re-check on Sunday more efficiently. Not having completed health forms, **including a Medical Doctor's signature** for Part C, will delay the participation in Camp activities for that camper until completed forms are received by the Camp Office.

**Swim Checks:** All Youth and Adults interested in activities at the waterfront must take a BSA Swim Test prior to participating in such activities as Waterfront merit badges, Open Swim & Boating, Lunch Across the Lake, the Wentethalon, Camp-Wide Games or water based Adult Leader trainings.

**Camp Tour/Program Visits:** Meet the Director from each program area in centrally located sites around Camp to learn about each program area.

**Dining Hall:** Receive meal shift, seating assignments and waiter orientation. Please go over your Dietary Needs Form and alert the Dining Hall Steward of **any severe food allergies** or last minute changes to your submitted document.

**Campsite:** After checking in at the peninsula, head to your Campsite with your Troop Guide. It is highly recommended that you change into swimsuits at this time.

## Sunday Schedule:

Noon	Check in and Camp orientation
5:15 pm	First Dinner (Staff provides Set-up & Clean-up on Sunday)
6:00 pm	Flags
6:15 pm	Second Dinner (Staff provides Set-up & Clean-up on Sunday)
7:00 pm	Scoutmaster/SPL meeting & Special Activity Sign-ups
8:30 pm	Opening Campfire

**Leaders' Meeting:** This meeting, located in the Skunk's Den above the Admin Building, is to allow you to meet the Camp Director, Program Director, your Commissioners, as well as other Unit Leaders (Youth and Adults). We will discuss an overview of some Camp policies and programs. It is highly recommended that your **SM and SPL** attend this meeting.

**Program/Merit Badge Signups and Fee Payments:** Sunday night after 7 PM, near the Trading Post, Scouts and Adults will have the opportunity to pay for any program and activity fees they would like to participate in.

## WHILE AT CAMP

### The Scout Law

The 12 points of the Scout Law guide our Camps. We ask that all Camper and Staff behavior follow the guidelines and principles set forth in the Scout Law. Negative and inappropriate conduct will not be tolerated. We ask for your cooperation and understanding in helping us maintain a high standard of personal behavior.

## A SCOUT IS....

- ☐ **Trustworthy:** Tell the truth and keeps promises. People can depend on you.
- ☐ **Loyal:** Show you care about your family, friends, Scout Leaders, school, and country.
- ☐ **Helpful:** Volunteer to help others without expecting a reward.
- ☐ **Friendly:** Be a friend to everyone, even people who are/seem very different from you.
- ☐ **Courteous:** Be polite to everyone and always use good manners.
- ☐ **Kind:** Treat others as you want to be treated. Never harm or kill any living thing without good reason.
- ☐ **Obedient:** Follow the rules of your family, school, and Troop. Obey the laws of your community and country. If you think these rules and laws are unfair, try to have them changed in an orderly manner rather than disobeying them.
- ☐ **Cheerful:** Look for the bright side of life. Cheerfully do tasks that come your way. Try to help others be happy.
- ☐ **Thrifty:** Work to pay your own way. Try not to be wasteful. Use time, food, supplies, and natural resources wisely.

- ☐ **Reverent:** Be reverent toward God. Be faithful in your religious duties. Respect the beliefs of others.

Mature Leadership is vital to the success of a Unit's stay in Camp. If your Unit's Leaders lack the necessary maturity to safely lead a Troop, your Unit may be asked to replace the Leaders in question or as a last resort leave Camp.

## NOTES FROM THE RANGER AND MAINTENANCE STAFF

Wente's Resident Camp Ranger and his Maintenance Staff help make sure our facilities and grounds are in safe, working condition. If you notice anything broken in your campsite or around Camp, they ask that you fill out a "**Maintenance Request**" form, available in the Camp Office, with as much information as you can provide so that they can deal with the request more efficiently.

**Camp Service Projects.** A list of service projects will be in your mailbox at the beginning of the week so that your Troop can pick a project that will work for your Scouts! To sign up for a Camp Service Project you need to fill out a "Service Project Request" form at least 24-hr prior to when you want to help, available in the Camp Office, and deposit it into the Ranger's box. The Ranger will then use your mailbox to inform you if the project is accepted or if there are any changes that need to be made.

**Propane** - If your Troop is bringing any of the large 5-7 lbs. or greater propane tanks, you are **REQUIRED** to come to Camp with a 5-lb. fire extinguisher, one per Troop. If you do not have a fire extinguisher, you will not be allowed to use your propane tank.

**Electricity** is not available in any of our campsites, and you may not run an extension cord from any of our building such as Shower Houses. You must bring a battery if you need power in your campsite for any devices, medical or otherwise. No generators are allowed in campsites except for use by the Maintenance Staff. If you have any batteries, they may be charged at the Admin Building or the Dining Hall.

**Vehicles** - are NOT allowed to drive into our Campsites. When your Troop arrives, you will be allowed to drive one vehicle or one vehicle with a trailer close to your campsite depending on its location.

## CAMP COMMISSIONERS

The Commissioner Staff is your Troop's first source to check for answers. Your Camp Commissioner will meet with you daily to see how things are going, follow up on any problems, and help whenever possible. Each Troop will have a Commissioner assigned to them for support throughout the week. Your Commissioner will be your primary program and communications link to Camp personnel.

### **The Commissioner Staff can:**

- ☐ Help you secure Campsite equipment.
- ☐ Assist your Troop in Scout Skills instruction.
- ☐ Help arrange inter-Troop activities such as Campfires, games, etc.
- ☐ Work with Adult Leaders to resolve any problems that may arise during the week.
- ☐ Help and encourage Troop and Patrol spirit through development of flags, yells, and songs.

# CAMP POLICIES

## Alcohol and Drugs

Controlled substances are prohibited from Boy Scout activities and properties during Summer Camp. Personal medications are to be kept locked at the Health Office. The BSA and the SFBAC prohibit the use or possession of alcoholic beverages and controlled substances at encampments or activities on property owned and/or operated by the BSA, or at any activity involving participation of Youth members. The BSA National Council prohibits the use of alcoholic beverages and controlled substances at encampments or activities on property owned and/or operated by the BSA or at any activity involving the participation of Youth members.

## Smoking

To promote Scouting's aim of physical fitness among its participants as well as to insure the protection and safe use of Council properties, the San Francisco Bay Area Council requires all Adult Leaders who smoke cigarettes, pipes, vaporizers or electronic cigarettes to do so only in designated smoking areas and are required to set the proper example by refraining from smoking in the presence of Scout Youth. Please see the Camp Office or Camp Ranger to learn where the designated smoking areas are.

## Male and Female Sleeping Facilities

Male and female campers must have separate sleeping facilities. Married couples may share the same quarters if appropriate facilities are available, such as private tents.

## Lost Property

Prior to coming to Camp, Scouts should be encouraged to clearly mark all personal items with their name and Troop number for easy identification. *Should a Scout inadvertently bring a valuable item, it should be locked inside one of your unit's vehicles.* Wentz Scout Reservation has a Lost and Found located in the Trading Post. Describe your lost item to the Trading Post Staff to retrieve them. The San Francisco Bay Area Council is not responsible for lost or stolen items at Camp.

## Camp Courtesy

**Dining Hall** - please seat one Leader at each table to ensure order. Waiters should wait for instructions from the Dining Hall Steward before setting or cleaning up. Troop yells and songs are **encouraged** at *lunch, dinner and before flags*, but may be disruptive during program time. Please refrain from Troop yells during breakfast. A Scout is courteous.

**Other Troop's Campsite** If no one is present then you should NOT enter. Scouts should walk around other Troops' campsites, not through them. Please ask permission to enter or pass through another unit's campsite. Please remind your Scouts that other Troops' campsites are off limits unless they are invited in.

**Quiet Hours** are observed between **10:00 PM and 6:00 AM Youth**, including two-deep Leadership, should be in their campsite from 10:00 PM until 6:00 AM with the exception of certain Camp activities.

**Electronics** - If your Troop allows radios, MP3 players, video games, cell phones, and other electronics, during travel please confine them to the tent/shelter area or your campsite or lock them in a troop vehicle. These are **NOT** allowed for Youth around camp except for use with Camp program.

**Camp Property** - Leave all pipes, valves and other Camp infrastructure alone. Report maintenance issues to the Camp Ranger. This can be done in the Camp office using a "Maintenance Request."

## COMMUNICATION, PACKAGES, AND THE INTERNET

The Camp phone is available for Camp business and emergencies only. Please let the families of your Scouts know these lines are **only for emergency purposes**, not to check up on their child.,

Telephone: (707) 459-2110

Fax: (707) 459-1527

We ask that any correspondence from home be sent via regular mail services and not over our fax line or e-mail. Verizon cell phones get reception fairly well AT&T and Sprint work in select locations (particularly near the dam bridge).

There is a Wi-Fi hotspot at the Administration building and password will be given to Adult Leaders at the Leader's meeting Sunday evening. This is confidential and **NOT** to be shared with any Youth! **Our internet is very limited and intended for quick emails and such for business purposes.** It is not to be used for uploading videos or streaming movies. It will be turned off as needed for Wentle business to be completed.

Each Unit will be provided with a mailbox in the Camp office. Incoming mail, messages, and some general Camp information will be placed in them daily. Please make certain all mail has a return address in case it arrives after the Unit has departed. All mail should be addressed as follows:

**For USPS:**

Scout's name and Unit #  
Wente Scout Reservation  
PO Box 453  
Willits, CA 95490

**For all other Carriers:**

Scout's name and Unit #  
Wente Scout Reservation  
5401 Canyon Rd  
Willits, CA 95490

## DAILY SCHEDULE INFORMATION

The Daily Schedule (in the back of this guide) will have all the information for the routine of camp. Each morning and evening at flags, announcements for programs will be made. The schedule and more information can also be found on the Information Board by the Trading Post.

Merit badges generally meet for an hour Monday through Thursday, with a makeup session on Friday. Scouts learn in an interactive teaching environment with the same group of Scouts and counselors throughout the week. We encourage Scout Leaders to drop in on any of the Merit Badge sessions and lend a hand. Please remember that it is best to give any feedback or suggestions to the counselor in private after the session has ended.

## RELIGIOUS SERVICES

A Scout is Reverent – The 12<sup>th</sup> point of the Scout Law. All Scouts and Leaders are welcome and encouraged to use the Camp Chapel on the peninsula of the lake. Troops requiring specific denominational services may invite their religious Leader to Camp to aid them with this.

# CAMP SAFETY

## Aquatics Safety

All Scouts and Leaders are required to take the BSA Swimmer's Test before participating in any aquatic activity. Waterfront is off-limits when no Staff is present. No swimming is allowed anywhere other than the official Waterfront.

## Emergency Procedures

In the event of an emergency, notify a member of Camp Staff immediately. Do **not** attempt to deal with the emergency yourself, regardless of the situation. If the situation seems at all dangerous, as in the event of wildfire, the priority is to evacuate all Scouts and Leaders from the immediate area. For all emergency assembly purposes, a siren will sound, fire bell rung, and ALL Campers should report immediately to the Parade Grounds to await further instructions. When your Troop arrives at the assembly area, take roll using your Final Troop Roster. A key member of the Staff will ask for a Troop roll call. If anyone is missing, Camp Staff or appropriate Emergency Personnel will initiate a search. More information on emergency procedures will be available on your first day in Camp.

## Emergency Drill

An Emergency Drill will take place within your first 24 hours at Camp. Emergency drills are held during each session of Camp. When the alarm sounds, all Scouts and Adult Leaders are to report immediately to the Parade Grounds, our designated assembly area and take roll using your Final Camp Roster.

## Fire Safety

- ❑ Fires are permitted only in each Campsite's fire ring and should never be left unattended. Fires should always be under the supervision of an **Adult** unit Leader.
- ❑ National Council policy requires that each Unit post a completed Unit Fireguard Chart in their Campsite. These forms will be posted on your Campsite's bulletin board prior to your arrival.
- ❑ Each Campsite has a bucket, shovel, and rake. Do not remove these tools from your Campsite. Proper means of extinguishing fires should be on hand at all times. In case of extreme fire danger, the California Department of Forestry may temporarily suspend our Campfire permit.
- ❑ Liquid or propane fueled stoves or lanterns are to be operated only under direct Adult supervision. Any large quantity of fuel must be stored with the Camp Ranger.
- ❑ **Extreme caution must be taken whenever an open flame is involved.** Camp can be a very hot and dry tinderbox during the summer. Be sure that all lanterns used are of approved status.
- ❑ **Fireworks of any kind are illegal and strictly prohibited in Camp.** Possession of fireworks will be grounds for immediate dismissal from Camp property and could result in criminal prosecution.

## Personal Safety

- Closed toed shoes are required throughout Camp. The only exception is the Waterfront where sandals may be worn.
- Travel only on designated trails.
- Report safety issues to the Camp Director immediately.
- All Camps operate on the buddy system. Scouts need to have a buddy in program areas, on hikes, and in any other activity they are participating.
- Initiations and/or hazing are strictly forbidden by BSA National Council Policy.
- Non-prescription drugs and alcohol have no place in Camp and are prohibited.
- No flames of any kind are allowed in a tent or outside a designated fire ring at any time.
- Fireworks are prohibited by county laws in both of our Camps.
- Pets of any kind are not permitted at Camp.
- Scouts and Adults are encouraged to use the Buddy System throughout the week.

Poison oak

## Plants and Animals to Avoid

While most of the animals we have at Camp are harmless, there are some to be very cautious around. **Rattlesnakes, bears, and cougars** occasionally make their way around Camp. **Yellow jackets, scorpions, ticks, and spiders** can be found lurking just about anywhere; all of them bite or sting and are in general very annoying. Instructions on how to deal with each of these will be given at Camp.

Camp's climate is just perfect for growing **poison oak** (at left), and we do have some nasty patches of the stuff around. This can usually be avoided by staying on clearly marked paths. Make sure your Scouts and Leaders know what it looks like and to how avoid it. If you need any help just ask a Staff member to point some out.

## Shooting Sports Safety

- Permission from a parent or guardian is required for Scouts to shoot at our Rifle and Shotgun ranges. This permission slip can be found at the end of this guide or online at <http://www.sfbac.org/forms/>.
- ALL personal firearms, ammunition, and archery equipment are prohibited in Camp.
- **Red flags** are used to designate a firing range
  - If the flag is **DOWN** the range is closed - - **DO NOT ENTER**
  - If the flag is UP the range is open and staff is present
- Yellow rope or caution tape designate the restricted area.
- Scouts may bring their own eye and ear protection for use at the shooting ranges.

## ADMINISTRATION BUILDING

The Administration Building is home to the Camp Office, Skunk's Den (page 44), Trading Post, Health Lodge (page 26), and Mail boxes (page 20).

**The Trading Post** serves as a general store providing a variety of refreshments, as well as general Camping equipment, t-shirts, and Wente Scout Reservation souvenirs. Scoutmasters may want to provide Leadership to Scouts to assure that purchases are reasonable. The Trading Post is available after meals and during program time. The Trading Post accepts cash, checks, as well as Visa/ MasterCard.

We also have the Camping equipment and materials you'll need to complete those Merit Badges you're working on. If you forgot your coffee mug, you can pick up a new mug from our friendly staff. Merit Badge books can be purchased here too! The Lost & Found is located in the Trading Post. Please make sure that all of your Scouts' gear is marked with their name and Unit number in case it is turned in.

Located in the Handicraft building is the Trading Post annex, known as the Handi-Post. Here you can buy similar products that we have in the main trading post, including a smaller selection of soda, water, candy and other Camping supplies.

## TROOP MEETINGS AND CAMPFIRES

During the week your Troop is encouraged to hold meetings to convey announcements, check Merit Badge progress, and take care of Troop business. Don't forget that your SPL should lead these meetings. Many Troops will assemble before meals or Camp-wide events and then walk over as a Unit.

Troops are encouraged to have a Campfire in your campsite. Feel free to invite Staff members or other Troops to encourage scouting fellowship and Troop interaction.

## YOUR CAMPSITE AT WENTE

Your Campsite will be your home for the week at Wente Scout Reservation. Each Campsite has tent platforms with two-man canvas tents. Your Campsite will also have the following:

- A central fire ring and fire tools
- A bulletin board
- A flag pole
- A nearby washstand and "KYBO".

Remember, "A Scout is clean". Your Campsite should be a reflection of that principal. Please respect the privacy of the Camp Staff and stay out of Staff living areas and respect the Campsites of other Units by staying out unless invited.

### Campsite Maintenance

Regular day-to-day cleaning and maintenance of the Troop Campsite is the responsibility of the Troop. The Campsite should be kept free of litter and other garbage, and the "KYBO" should be cleaned daily. Cleaning supplies, garbage bags, and toilet paper are available from the Camp Office or in the supply box near the "KYBO". If repairs to the Campsite are needed, please submit a Maintenance request to the Camp Ranger (Request forms located in the Camp office) who will work with you to take care of any problems.

### Trash Removal

Troops must empty all Campsite trash cans each night to prevent attracting wildlife. Place all garbage in the dumpster behind the Dining Hall. Recycle bins are located throughout Camp; please use them. Do not leave candy, food, or anything smelly in tents or Campsites, since this may attract wildlife.

### Shower Facilities

Wente has three shower houses available in Camp.

- The Palfreyman Shower House, located past the Archery Range, near Climbing & Mountain Biking
- The Wishbone Shower House, located above the Wishbone campsite
- The Madrone Shower House, located next to the Handicraft building

Shower houses are designed to meet Youth Protection Guidelines. All shower facilities have private shower stalls that can be used by Adults and Scouts alike. Senior Patrol Leaders are responsible for signing up during the Sunday night SPL meeting, or with the Program Director, for a cleaning rotation of each shower house and the Dining Hall bathrooms.

# TENT REPAIR/ACCOUNTABILITY PROGRAM

Tents throughout Camp are the primary shelter for Scouts and visitors to our Camp. It is extremely important that we respect and maintain the canvas tents in our Camp. Due to accidents in the past, it is necessary to hold Troops accountable for damage to tents while in use during your stay. The prime examples of damage to tents are Scouts practicing woodcarving, using their pocketknives in their tent and cutting the walls of the tents, all of these types of accidents are irresponsible of the Scout and disrespectful of the equipment and Camp Property.

On arrival to your Campsite, you and your Scouts will inspect canvas tents with your Troop guide and note any previous damage in the tents. During checkout, if any new damage is found, Troops will be responsible for a charge of \$12 per inch of damage. Normal wear and tear due to environmental elements is understandable.

Questions should be brought up to your Camp Commissioner. However, the Camp Director has the final say on damage. After your site is checked, bring the check-out form to the office for final check-out, or if there is damage bring the form to the Trading Post first to pay for the damage.

## SERVICE AT CAMP

Service is one of the cornerstones of the scouting world. Giving back to our communities. At our Camp home Troops, Patrols and individual Scouts are highly encouraged to participate in a service project sometime during the week. There are many service opportunities available at Wente all year-round as well through our Work Weekends (see below). Scouts and Leaders can find more information about Finney Valley Lumber Company and other service opportunities later in this guide or visit the Wente Scout Reservation Camp Office Staff.

### Wente Work Weekends

Another way to improve Camp is to attend the Wente work weekends. Participants help provide much needed Camp clean up and assist with Camp improvement projects.

Work weekends happen once every month except for June, July, August, and December. Depending on the work weekend, some meals are provided, and Scouts can Camp free in return for participating in the work weekend service projects. Scouts should bring work clothes, water bottles and food for other meals.

For more information or to RSVP, contact Ranger Mike Hannah at: [Ranger@WenteScoutReservation.org](mailto:Ranger@WenteScoutReservation.org)

## VISITORS AT CAMP

Visitors are welcome at Camp, however there are a few things to keep in mind before inviting visitors. Camp does not have separate visitor accommodations, and it's important for parents to remember that Scouts will probably be busy with Camp activities. Due to liability considerations, friends and siblings of registered participants are not to attend Camp and cannot participate in Camp programs. Wenté Scout Reservation operates Family Vacation Camps before and after Summer, so everyone can have the opportunity to experience Camp. Please contact the Camping Department for more information.

### Guidelines for Visitors at Camp

The best time to visit is the last full day of the session. All visitors must check in at the Camp Office immediately upon arrival at Camp. Visitors must park in the designated parking lot and walk to the office. Meals are available for the following fees: Breakfast \$13; Lunch \$15; Dinner \$18; or all three for \$35. There is also a nightly camping fee of \$42 per person per night. Please notify the Camp Office at least 48 hours in advance if you wish to purchase guest meals.

## FOOD SERVICE

Wenté Scout Reservation offers two outstanding food plans for your Unit to choose from: Dining Hall service or Jamboree style cooking. Both plans provide tasty, well-balanced, and nutritious meals.

**Dining Hall** service provides three fully prepared meals a day. Dining Hall meal service will be done in two shifts per meal. Your Unit will be assigned a shift during your orientation tour of Camp. Each Unit eating in the Dining Hall will need to provide one waiter per table for each meal. Waiter duties will be explained during the orientation tour of Camp. Waiter call is 15 minutes before each meal.

Tables in the dining hall seat eight. Due to the final numbers within your Troop, the Dining Hall Steward may require you to share a table with other Troops. Only one waiter is needed for the shared table and the Senior Patrol Leaders for both Troops should work together to ensure the table service is not carried by only one Troop.

Seating provided to each Troop is determined by the number of full-week individuals. Visitors should pay for meals in the Trading Post (see *Visitors in Camp*) and join their Troop in the dining hall within the space allotted without encroaching on the space of neighboring Troops.

**Jamboree Style** allows your Unit to prepare some or all meals in your Campsite. Jamboree Style cooking is not the preferred food plan at Wenté. If you wish to choose this option, contact the SFBAC Council Office and email [Chef@WenteScoutReservation.org](mailto:Chef@WenteScoutReservation.org) at least 3 weeks prior to arrival to facilitate your jamboree style cooking needs. Please submit a final head count and your Dietary Needs Form with this communication.

**Special Dietary Needs** We will do our best to accommodate Special Dietary Needs (i.e., allergies, medical necessity, religious beliefs). Such needs must be communicated in your troop's Dietary Needs Form three weeks prior to arrival, severe allergies or more complex needs than listed on the form such needs must be emailed to [Chef@WenteScoutReservation.org](mailto:Chef@WenteScoutReservation.org) 3 weeks prior to arrival. Call the Camp office if you need to speak with the Cook. Please submit items you **can eat** as well as those you can't.

# HEALTH AT CAMP

## Medical Forms

BSA policy requires that all Youth and Adults have an annual medical evaluation, signed by a certified and licensed healthcare provider. All Scouts and Adults attending resident Camp at least one night are required to have a current and complete BSA Annual Health and Medical Record.

If you do not have a current version of the BSA Annual Health and Medical Record, or if your form is out-of-date, you may not attend Camp, no exceptions. It is recommended that you bring photocopies of these forms to Camp and that the Unit keeps the originals. These forms are found at

<http://www.Scouting.org/Scoutsource/HealthandSafety/ahmr.aspx>.

In instances where medical evaluation or immunizations are against religious beliefs, the requirement for medical examination forms can be waived with a written statement from the Camper's parent/guardian and church officials that a medical examination is a violation of religious belief. Those forms can be found at

<http://www.Scouting.org/Scoutsource/HealthandSafety/Forms.aspx>.

## The BSA Annual Health and Medical Record authorizes:

- ☐ The Camp to provide medical treatment.
- ☐ Participation in Camp activities such as waterfront, COPE, and climbing.
- ☐ The San Francisco Bay Area Council, BSA and the National Council, BSA to use photographs taken at Camp for promotional purposes.
- ☐ Authorizes the drivers each Youth is allowed to leave camp with.

## Insurance

Each Unit attending Camp must be covered by some type of accident and insurance plan. SFBAC Units are covered under BSA Campers' Accident and Sickness plan. Some Councils provide this insurance for their Units or offer the insurance for a small fee. Other Units are covered by their chartered organization. If your Council does not provide insurance, you will need to get a Unit application at your Council service center and apply for the insurance yourself. All out-of-Council Units MUST bring a claim form AND proof of insurance (if not covered by their Council) to Camp. This form is not necessary to go to the hospital but will provide helpful information in processing the claim.

## Health Lodge

Our Camp has a well-equipped Health Lodge operated by a qualified Health Officer. All accidents, injuries, and illnesses must be immediately reported to the Health Officer. The Health Officer can handle most minor injuries and illnesses. Minor cuts not reported become difficult to treat later. Serious injuries or illnesses will be taken to a local medical facility where we have made arrangements for treatment.

Transportation to the medical facilities is the responsibility of the Unit, unless emergency medical treatment is necessary. **Night calls after 10 PM should be restricted to urgent situations that your Troop's Adult Leadership do not have the medical training to handle. Youth MUST be accompanied by an Adult Leader and follow the buddy system.**

## Health Officer

A qualified Health Officer is on duty at all times during your stay. The Health Officer is located in the Health Lodge in the Camp Administration Building. The Camps have made arrangements with a local clinic nearby and have access to an ambulance service and the hospital in the event of an emergency.

## **Medications**

Boy Scout National policy states:

All prescription drugs (including those needing refrigeration) are to be kept in locked storage and in compliance with local and state laws. An exception may be made for a limited amount of medication to be carried by a Camper, Adult Leader, parent, or Staff member for life-threatening conditions, including bee-sting or heart medication, and inhalers, or for a limited amount of medication approved for use in a first aid kit.

All medications taken at Camp should be listed on the Annual Health and Medical Record, in the medication log and need to be presented during the health screening.

Lockers for Unit use will be provided in the Camp Health Lodge. The Unit Leader will be given the combination to the locker. All Medications must be recorded in the provided log. This log must be left in the locker at the end of the week. The locker area will be open 24/7 while Camp is in session to allow access to your Unit locker.

Adult Unit Leadership will be responsible for seeing that the Scouts in their Unit needing medication take the necessary medications at appropriate times in correct doses. Non-prescription medications must be kept under the supervision of the Adult Leaders.

## **Special Dietary Needs**

See: Food Service (page 25)

## **Preventing Homesickness**

One of the biggest challenges facing Scouts at Camp is homesickness. This can be especially true for new or younger Scouts who have never been away from home. A great way to prevent homesickness before arrival at Camp is for families and Unit Leaders to stress all the fun the Scout will have at Camp with the many new experiences that are in store. It is good advice for family members to refrain from comments about how much they will miss the Scout or how much the Scout will miss everything at home.

At Camp, the Staff will help to fight homesickness by keeping the Scouts busy with fun and challenging activities. Unit Leaders need to keep a sharp lookout for homesick Scouts, and ought to tell their Commissioner, who can help brainstorm activities to keep the Scout busy.

A big cause of homesickness is a phone call home. If a Scout is not homesick, there's a good chance of it setting in after a call home. Scouts are discouraged from bringing cell phones to Camp. Parents should be discouraged from having their Scouts call home, except in an emergency. No Scout may call home without a Leader's permission, and a Leader must be present when placing a phone call.

## **Rest**

Adequate sleep can be the key to a great week at Camp. Each person needs a certain number of hours of sleep each night. Unit Leaders need to see that the Campsite is quiet at 10:00 PM to permit those who wish the chance to get at least eight hours of sleep.

Some people need more time to rest during the day. Leaders need to be sensitive to this and provide opportunities for rest time. Too often Campers do not take the time to sit and enjoy the beauty of the Camp surrounding them.

# MERIT BADGE INFORMATION

## Merit Badge Philosophy

A Merit Badge is recognition for what a Scout has learned and done. The Merit Badge program was designed to help Scouts become familiar with their world and stimulate interest in new program areas. Furthermore, the program was designed to get Scouts out to meet new people in their community and gain a basic knowledge of a given topic.

To earn a Merit Badge at Camp, a Scout must complete the requirements of that badge. We give Scouts every opportunity to satisfy the requirements needed. Completing a Merit Badge certifies the Scout's knowledge. For example, signing off the application for First Aid Merit Badge implies a Scout knows how to splint a broken bone and can confidently do so in any situation.

We recommend that the average Scout sign-up for **2 to 4 Merit Badges**, depending on the individual. This should give the Scout plenty of opportunities to earn the Merit Badge and take part in the other program offerings of the Camp.

**Camp Staff will provide and fill out ALL Blue Cards for Merit Badges *started* at Camp.**

You should NOT fill out or bring your own Blue Cards for these Badges. If the Scout does not complete all requirements, the Scout will not receive the Merit Badge (see Partial Policy). The responsibility for completing those requirements lies solely with the Scout.

## Partial Policy

There are many badges that have requirements that cannot be completed at Camp. Some of these are due to time requirements, and others simply cannot be done in a Summer Camp setting. It is the policy of the National Council of Scouts BSA that there is no time limit (other than the Scout's 18th birthday) on a Scout completing a Merit Badge after receiving a partial. Both Camps will honor partials regardless of date or location that requirements were completed.

The image shows a blue Merit Badge application card. It has a header section with 'Information for Applicant' and 'Information for Counselor'. Below these is a large grid for tracking requirements. To the right of the grid is a section titled 'APPLICATION FOR MERIT BADGE' with fields for Name, Address, City, and County. There are also checkboxes for 'If registered' and 'If not registered'. At the bottom right, there is a signature line for the Scout and a line for the counselor. A barcode is visible on the left side of the card.

Counselors will ask Scouts to review requirements already signed off to ensure that they are able to properly complete the Merit Badge. **It is necessary for Scouts to bring the Merit Badge blue card partial to Camp.** In cases where Merit Badges are not completed at Camp, a partial indicating the requirements that have been done will be issued and given to the Unit Leader. Many of these requirements can be completed before a Scout arrives at Camp. A Scout can contact a local Merit Badge Counselor for that badge, go over the work that has been done, and bring a partial to Camp. In some cases, Camp Counselors will require a partial directly from a Merit Badge Counselor, (indicated later in this guide.)

## Merit Badge Limitations

We strive to give all Scouts a fair chance to participate in those Badges which must be limited because of facilities or safety. For this reason, Merit Badge counselors reserve the right to limit Merit Badge class sizes. Please remember to sign up for Merit Badge sessions prior to arriving at Camp to have the best chance of getting into the classes you want to take.

## Camp Advancement

Any Scout may earn any Merit Badge at any time. Scouts don't need to have rank advancement to be eligible. However, if you as the Scout Leader do not feel the Scout is ready to tackle certain badges, it is your responsibility to counsel the Scout to seek other opportunities. It is our experience that Scouts who jump into badge requirements that they are not ready for tend to become frustrated and are more likely to fall away from Scouting.

The steps that all Scouts should follow to earn Merit Badges in or out of Camp are as follows:

- **Pick a Subject:** Talk to your Scouts about their interests. Have them read the requirements of the Merit Badges you think might interest them. Have them pick one to earn and give your Adult Leader's approval. Before arriving at Camp, find out which requirements can be started at home.
- **Sign-Up:** Sign-up for a Merit Badge online before arriving or on the first day of class.
- **Meet the Staff member** who is counseling the badge, and ask any questions you might have.
- **Show Your Stuff:** Attend the scheduled Merit Badge sessions. When you go, take along the things you have done to meet the requirements. The counselor may ask you to demonstrate a few times to make sure you know your stuff and can do the things required to earn the badge. Most counselors will want to meet with you several times during the week. A lot depends on how prepared you are.
- **Get the Badge:** When counselors are satisfied that you have met all of the requirements, they will check off on their records that you have done so. Signed blue cards for your Merit Badge will be available Saturday morning before you leave Camp.

## Advancement Records

Counselors keep a record of requirement completion. Counselors sign off on "blue cards" for completed Merit Badges. If a Scout does not complete all of the requirements of the badge or activity, the counselor will issue a Merit Badge "partial." Blue cards and partials are distributed to the Scoutmasters on Saturday morning. Should there be any questions regarding a badge or requirement for a Scout, the Merit Badge counselors will be readily available Saturday morning after breakfast in their program areas to answer any questions.

## Difficulty Levels

Difficulty levels range from 1 (easy) to 5 (difficult and/or time consuming). Scouts are encouraged to challenge themselves at camp, but we also hope to help set them up for success. Our difficulty levels are a guide to help in making educated decisions about the badges scouts sign up for.

## Scheduling

Most of Wente's Merit Badges run on a four-day schedule with Friday open for make-ups. Merit Badge sign-ups will happen online prior to Camp. Registration instructions and more information can be found online at [www.sfbac.org](http://www.sfbac.org) or by calling the SFBAC Camping Department at 510-577-9218. Scouts may show up to Merit Badges on Monday to add a session but priority will be given to pre-registered Scouts. Merit Badge counselors will limit their class size as mentioned on the previous page in Merit Badge Limitations section. Below are also listed the limits for all of our Merit Badges.

## The Risin' W Overnight Outpost

The Risin' W Outpost starts with a long horse ride into the back-country that wanders up to a rugged campsite where you will settle down for a nice Steak Dinner. Then try your hand at some activities our Wranglers have rustled up just for y'all. Soon it'll be time to settle into your bedroll under an open sky as the crickets sing you to sleep. Participants should pack a flashlight, sleeping bag, and warm clothes and place them in the trailer located in the Redwood Grove near Dining Hall before lunch on day of the Outpost Ride. *Nothing brought to the Corral will be taken to the Outpost Ride.* Tickets for the overnight Outpost Ride are for sale at the Tradin' Post. # SPECIAL PROGRAMS

## Campfires

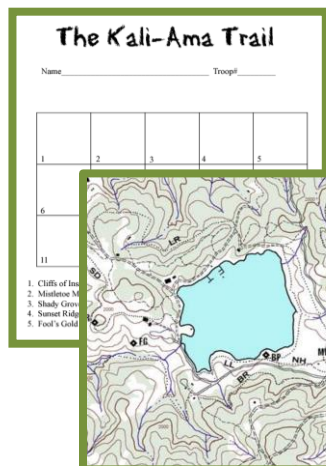

Our opening Campfire on Sunday night is a great opportunity for Scouts to meet the spirited Staff, learn some of Wente Scout Reservation's great traditions, and get fired up about the week ahead. Come join the show!

Wednesday night is set aside as Troop Campfire night. Your Troop can settle into your campsite for a night of bonding or get together with other Troops for a large Campfire. Don't forget to invite your counselors along for the show.

Closing Campfire Friday night is a time when the Scouts can perform skits, Camp Staff presents awards earned throughout the week and our progressive camper Finney Valley Ceremony rounds out the evening.

## Cobblers

Does a bubbling fruit cobbler fresh out of a Dutch oven sound good? We offer Units the chance to make Dutch oven cobblers in their Troop's Campsite. To take advantage of this great experience sign up the night before you want to make cobblers, at the Trading Post. Flavors available vary week to week.

**Kali-Ama** - The Kali-Ama is a series of posts throughout Camp, designed to hone your map reading and orienteering skills. The use of GPS to find posts is highly discouraged.

Scouts and Adult Leaders who wish to earn their patch must get a stamp each post, write your name on your completed map and drop it off with the Nature Staff during normal program hours.

**King Kali-Ama** - After conquering the Kali-Ama, why not take the next step and try tackling the King Kali-Ama? These posts tend to be further into the backcountry and more difficult to find. Again, this is an orienteering activity so no bikes, cars or horses for transportation and please no use of GPS.

**Outposts** – Outposts are a wonderful way to experience the adventurous activities outside of regular Merit Badge programs. Some can be done as a Unit, others as a Patrol and some on an individual basis.

More information on each outpost experience can be found in the program specific descriptions.

**Fishing the Lake** - There's nothing like spending a day on the shore of a lake fishin' for that big ol' Largemouth Bass. Wente's 80-acre lake offers great fishing of both Bluegill and Largemouth Bass. We recommend bringing your own fishing gear; though, the Trading Post does stock a limited supply of bait, lures and rods.

**Fly Fishing Rods** are available in the Tradin' Post for Scouts to borrow using a deposit; fee only applied if item is not returned or damaged.

Reminder – Wente is a catch and release lake *only*.

**Lunch Across the Lake** - for a change of scenery. Adult Leaders will have the chance to use their Safety Afloat training as they venture out in boats with their Scouts for a picnic lunch at Black Oak Point. Just sign up as a Troop in the Trading Post at least one day before if you are interested.

## THEME DAYS - Join our Camp theme days & show us your Scout Spirit!

- **Monday** is Scout Spirit Day...
- Timmmberrrr **Tuesday**, show us your Finney Valley **Lumberjack** Spirit.
- Wear Your Helmet/Safety **Wednesday**,
- Alternate Uniform **Thursday**,
- Aloha **Friday** wear your tacky Hawaiian shirts
- Troop Pride & Appreciation **Saturday**

### Order of the Arrow

On Tuesdays, show your OA Pride by wearing sash whenever you are in uniform or an OA T-shirt. Then join us at the OA Evening Social at the Dining Hall for fellowship, news, fun, patch trading, and as with all good meetings, *snacks*.

### Wentethalon

The ever-popular relay race that is the Wentethalon returns for another thrilling season. Units will shoot, run, boat, and swim their way to victory. Try for the best time while having a wonderfully wet Wentastical time. The Wentethalon is held on Wednesday after dinner.

### Camp-Wide Games

On Friday afternoons, all program areas will transition to Camp-Wide Games. The games give Scouts the chance to have some well-earned recreation time at the end of the week. Things may get silly, messy, wet and sweaty - - so come prepared to have a barrel of laughs and a boat-load of fun.

# ADULT LEADER TRAINING AND ACTIVITIES

**Leader Opportunities** – Sometimes Adult Leaders come to Camp with special skills and expertise. Adult Leaders are more than welcome to teach things that are beyond our standard program, providing additions beyond the standard program. Merit Badges that are not part of the regular Camp program must adhere to the National Standards of Scouts BSA for counseling Merit Badges. Please check with the Camp Administration, so we can work your skills into the Camp program.

**Climb On Safely** - is the BSA's procedure for organizing BSA climbing/rappelling activities at a natural site or a specifically designed facility such as a climbing wall or tower.

**BSA Leave No Trace 101** - Leave No Trace Awareness Workshop may be offered for Adult Leaders and older Scouts to help broaden their outdoor ethic and awareness if the interest arises.

**Scout Leader's Pie and Coffee** - Come on down to the Dining Hall on Monday night and join us for some pie, coffee, and ice cream. You'll have the chance to meet with the Camp administration team.

**Scoutmaster Float** - Join the Commissioners and our Waterfront Staff for a special Adult-only retreat by the lake. Take out a boat, swim, or just relax and enjoy the refreshments and company.

**Scoutmaster Shoots** - Throughout the week each range will host a Scoutmaster Shoot for Adult-only range time and a little friendly competition.

**Trek Safely** – Treks can be as short as overnight or weeks at a time, Trek Safely is the BSA's recommended organization procedures to ensure a safe excursion with our youth.

**Waterfront Trainings** - Adult Leaders can come down to the Waterfront to learn the rules and regulations for planning and putting on water activities. There is classroom style and practical lessons, so come prepared to write and get wet. Safety Afloat; Safe Swim Defense; Swimming and Water Rescue & Paddle Craft Safety all taught.

## Drivers Needed

Drivers are needed to help transport Scouts on two field trips:

*Wednesday at lunch* for Fire Safety to the Little Lake Fire Station in Willits

*Thursday at lunch* for Forestry Merit Badge, to the Sawmill in Willits

## Skunk's Den

Located on the top floor of the Administration Building, The Skunk's Den is a place for Adult Leaders to go and relax, hold meetings, trainings, or use the limited-wireless Internet for quick emails and such. **\*\*NOTE:** The Skunk's Den is sometimes used for classes and trainings and will be unavailable during these times, see the schedule on the bulletin board by the door.

# DEPARTURE FROM CAMP

## Adults Leaving Camp

- ☐ Check out at the Camp Office before leaving Camp on Saturday Morning.
- ☐ Adults who leave during the week must check out at the Camp Office.
- ☐ Adults returning to Camp must check back in at the Camp Office upon arrival

## Youth Early Release from Camp Property

For the safety of all Scouts attending Camp, it is the policy of the SFBAC to follow these procedures in the event that a Scout must leave earlier than the whole Unit. The following must ALL be in the Camp Office together prior to departure (known at Camp as the **Magic 5**)

1. **The Scout** - The Scout must be present and sign out with the Adult Driver's signature.
2. **Med Form** - The Scout's Annual Health and Medical Record form must be filled out with the names of all Adults authorized to take the Scout to and from events.
3. **Driver** - The Adult with permission to pick up the Camper must report directly to the Camp Office upon arrival.
4. **Driver's License** - Identification will be compared to information on the Annual Health and Medical Record.
5. **Adult Leader Remaining in Camp** – This way everyone knows when and with whom the Scout left.

In an emergency, these procedures can be suspended by mutual agreement of the Camp Director and the Adult Leaders of the Scout's Troop. If such an emergency is declared, Adult Leaders from the Scout's Troop will be solely responsible for verifying safe transportation for the Scout, and that the Scout leaves with an approved Adult. In an extreme emergency, an Adult Staff member may be appointed to transport the Scout. The SFBAC, BSA is not responsible for Scouts leaving Camp on an emergency basis, regardless of who transports the Scout.

## Troop Checkout

Troops should plan on checking out by 9:00 AM on Saturday. Your Troop Guide will come to your Campsite directly after breakfast to check you out. If your troop needs to leave early, please notify the Camp Office by Friday evening so that we can arrange your Troop Guide to meet you earlier. The Troop Guide and an Adult Leader will inspect the site for any damage that may have occurred to tents and other equipment during the week. Troops will be charged for any damage that occurs. Be sure that some Scouts remain in the site to help with any final details:

- ☐ All tents are swept clean and free of trash.
- ☐ All trash is placed in dumpster behind the Dining Hall.
- ☐ In tent sites, all tent flaps are down; tents and poles are free from damage.
- ☐ All equipment checked out has been returned.
- ☐ Latrine is swept and washed out; toilet paper is stocked.

The Camp Director has the final say on damage. After your site is checked, bring the check-out form to the Office for final check-out.

## Don't forget to:

- ☐ Turn in Camp Evaluations.
- ☐ Stake-A-Claim for next year.
- ☐ Double-check Troop mailbox.
- ☐ Pick up Medical Forms, medications, and Wente patches from the Camp Office.
